welcome from

FIRST CLASS CATTLE MARKETING

Welcome to the Source of Elite Simmental Genetics Annual Simmental Sale. This year the consignors have really dug deep to bring you the best they have to offer. Everyone involved has let us select females right off the top of their bred and replacement pens to bring you cattle that truly come from the heart of their herds. Whether it's Full Fleck, Fullblood or Purebred, Bred Heifers or Heifer Calves, there is something here that will please even the most critical of cattlemen. I would personally like to thank Kindred Spirit, Dart, Perlinger, XRC and Willerton for their continued faith in the Source sale and would like to Welcome McCormack Family Ranch as first year consignors.

Something a little different happening this year will be the "mini production" sale of Perlinger Simmentals. Clarence & Nicole have dug deep to offer you 30 of their very best females that have ever walked at Perlinger Simmentals. They will have on offer a select group of fancy heifer calves, top bred heifers and productive bred cows. These cattle will be "mixed" in with the rest of the great Source offering to make one truly "Can Not Be Missed" event.

The entire staff at First Class Cattle Marketing will be very familiar with the offering. If there is anything we can do to assist you with your purchase please do not hesitate to call. It will be our pleasure to represent you in a professional and confidential manner. I also urge you to call each consignor personally to discuss their offerings with them. I hope to see all of you in Lloydminster.

Prairie is a naturally quiet, smooth polled full Fleckvieh heifer that is sure to get a lot of attention on sale day. She is an attractive, double goggled female sired by Grinalta's HP King who also sired our Grand Champion Bull, Kindred Spirit Twister 3F, who was the highest seller at the Pride of the Prairies Bull sale last March. She is mothered by an Eldandi daughter that comes from a long line of good uddered females. The genetics in this female are right at the top of our herd. She is AI'd to Shawacres Preemo 52P, who is a dark red, easy calving bull. This is sure to be a good breeding match. AI bred to Shawacres Preemo on April 7, 2019. Exposed to Kindred Spirit Onyx 12F from April 14 to June 28, 2019. Preg checked on May 27. Ultra sound safe to AI date, due January 15, 2020.

Adrian is a growthy and powerful full Fleckvieh heifer sired by Silverlake Rocky 238C. If you are looking to add power to your calves, without sacrificing any maternal qualities she is sure to do just that. The proven genetics in this heifer's bloodlines, going back to Gidsco Appollo, are the kind that you can build a herd on. We think that her being bred to our polled, well marked herd sire Ezana 1C will be a profitable genetic match with the chance at a polled calf. Exposed to Kindred Spirit Ezana 1C April 7 to June 28, 2019. Preg checked June 25. Ultra sound safe for late-April breeding and due early-February.

Here is a broody, yet stylish heifer with a powerful pedigree. Rowena is a full Fleckvieh heifer that catches your eye every time you walk into the pen. She comes out of our heavily used herd sire Ezana 1C. She is exceptionally thick, with lots of volume and color. We are confident she will be a good producer and the kind of female that you can mate with a wide variety of bulls. The utility in this female is exceptional. Being bred to our new herd bull Onyx 12F should make for a great calf. We are excited for her new owners. AI bred to Shawacres Preemo on April 8, 2019. Exposed to Kindred Spirit Onyx 12F from April 14 to June 28, 2019. Preg checked on June 25. Ultra sound safe for mid-May breeding and due mid-February.

Aurora is a double goggled, smooth polled, full Fleckvieh female sired by Grinalta's HP King. She is a structurally sound, stylish heifer setting down a near perfect udder. She was mothered by a tidy uddered Shawacres Jahari female who puts her all into her calves. Bred to our new walking herd sire bull, Kindred Spirit Onyx 12F who comes from a Black Gold cow we purchased at The Source and Crossroad Polled Future. What a match this will be with the potential for a homozygous polled calf. This is the type of female you can have fun with when picking who to breed her to. Exposed to Kindred Spirit Onyx 12F April 7 to June 28, 2019. Observed bred May 13. Preg checked June 25. Ultra sound safe to natural breeding, due February 20, 2020.

This is a female we are really impressed with. Zana is a moderate framed, full Fleckvieh KSC Ezana 1C daughter, with great performance. She was mothered by a very productive Anchor D cow who raised some of our high selling females over the years. Performance, maternal ability and longevity are built right into Ezana's pedigree. She sells bred to our polled, calving ease bull KSC Onyx 12F giving her new owner the chance to raise one of the first KSC Onyx 12F calves. Val is a well-balanced, moderate framed, blaze faced, full Fleckvieh female who was sired by our easy calving herd bull KSC Ezana 1C. Val has a great temperament and is setting up a nice udder. Her dam is a quiet, good uddered cow we purchased at The Source from Westgold Farms. Val's half-sister went to Anchor D Simmentals last year and raised a great heifer calf of her own. We are confident that Val will be an above average producer. Being bred to KSC Onyx 12F, imagine the dark cherry red, blaze faced, potentially polled calf she will raise for you. This is a female that is sure to be popular on sale day. Paulie is a dark red, full Fleckvieh Ezana daughter. She is moderate framed, with lots of capacity, thickness and color. Her pedigree is another one that speaks for itself with the power of Appollo and a great Shawacres cow family on the maternal side, and the consistency of Ezana 1C, which is evident in our sale heifers here at The Source. She is bred to KSC Onyx 12F, who we used very heavily in our heifer pen because we feel strongly he matches well with our Ezana 1C daughters. Grace is our youngest heifer here at The Source, but don't let that fool you. She is a full Fleckvieh heifer and comes from a deep bodied, tidy uddered, easy doing cow that we purchased at The Source from Westgold Farms. Grace's mother had an April bull calf as a heifer and bred right back for an early March calving of Grace. We are impressed with how well Grace has developed and based on her mothers fertility, we are confident she will be a producer for you as well. She sells bred to KSC Onyx 12F. Again, the match here speaks for its self with dark color, and polled genetics you have to get your hands on. Exposed to Kindred Spirit Onyx 12F April 7 to June 28, 2019. Preg checked June 25. This is a very long spined power house of a heifer. She's an exceptional heifer even though our Fullblood herd only consists of 7 cows. In the vets opinion she is bred to our solid red, polled, calving ease son of Red Rock 5T which we purchased from Bonchuk Farms. Whether she is packing a bull or heifer calf the quality should be hard to beat.

MFR Red Charm 9F

consigned by McCormack Family Ranch

9F is again off of the Scissors Collateral Bull. A dark red, heavy muscled bull who's first daugthers laid down, calved with nice udders and bred back early – what more could you ask for? 9F is carrying a AI service to RLA Eye of the Storm 721T – a black baldy bull raised at MFR. She just might give you the baldy calf you have been dreaming of.
AI bred April 3, 2019 to RLA Eye of the Storm 721T. Preg check safe to the AI. Exposure Bull – MFR Red Absolute 119F.

19F is the spitting image of her dam, who is really one of the top female producing black cow families here at MFR. We have 3 full sisters to 19F in production, which is why we decided we could part with this heavy muscle, bold middled heifer. She is carrying a service to the baldy bull RLA Eye of the Storm 721T. AI bred April 3, 2019 to RLA Eye of the Storm 721T. Preg check safe to the AI. Exposure Bull – MFR Red Absolute 119F.

A beautiful dark red, goggled eye Ballistic female. She is nicely balanced, with an excellent hair coat. The Ballistics that we have calved out this spring, have done a great job for us and we expect nothing different from Gretchen. Gretchen's dam is a solid, proven female that we purchased from our friends at Anchor D Simmentals, and did you notice she is the grand dam to Gisella.

Ginny is the first to sell from our herdsire "NUG Encore," the high seller at Maxwell's 2018 Bull Sale. Ginny is a soggy, deep bodied, yet feminine female, with a great disposition. There is some of the breeds best cow makers in her pedigree on the top and bottom. We have no doubt she will make an impact. Ginny's dam is a moderate framed, great uddered, hardworking young cow who has hit a home run with her second calf.

Terms & Conditions

TERMS & CONDITIONS The terms of the sale are cash or cheque payable at par at sale location unless satisfactory credit arrangements have been made prior to the sale. The right of property shall not pass until after settlement is made. First Class Cattle Marketing reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should the purchaser fail to settle for his purchase, First Class Cattle Marketing reserves full power to resell the animal to the best advantage, either publicly or privately, without further notice. Any loss arising from such resale, together with keep and all other expenses shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released. The owners, First Class Cattle Marketing and sale staff have the right to refuse bids from anyone who has a previous record of default in payment and/or who has not made prior credit arrangements prior to the sale with the owners and/or Sale Management.

EXCHANGE Foreign exchange rates will be announced at the beginning of the sale.

BID Every animal consigned to the sale must be sold by auction. No by-bidding will be permitted. Each animal will be sold to the highest bidder.

DISPUTES In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASER'S RISK Each animal becomes the risk of the purchaser as soon as sold.

ANNOUNCEMENTS from the auction block will take precedence over printed matter in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

CERTIFICATE OF REGISTRY The proper Registration of Recordation paper, as the case may be, will be duly transferred and furnished to the buyer for each animal after settlement has been made.

SHIPPING Assistance will be given in making shipment after the sale, but Sale Management or Seller assumes no risk. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instruction when making settlement.

GUARANTEE All animals will carry standard breeding guarantee as specified by the applicable Canadian breed Association. At no time shall the seller's liability exceed the purchased price of the animal.

EXCEPTION TO GUARANTEE In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void. In the cases of bulls, they are guaranteed to breed naturally according to applicable Canadian breed Association guarantee, but no guarantee is given that semen from any bull will freeze.

HEALTH It is the buyer's responsibility to determine health requirements for importing any animal into his province or state. First Class Cattle Marketing assumes no responsibility for the health status of any animal in the sale.

ACCIDENTS Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sale Management, auctioneer, or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and the terms and conditions of this sale do not cover obligations of the two parties connected thereto.

First Class Cattle Marketing IS AGENT ONLY It is clearly understood that First Class Cattle Marketing acts only as agent between buyer and seller and is not in any way responsible for any failure by either party to live up to his or her obligations. First Class Cattle Marketing does not assume any financial obligations to collect or enforce collection of monies by either parties, and in exceptional case, any legal action will be between buyer and seller. First Class Cattle Marketing Ltd has no ownership of the facility and assumes no responsibility for the operation of said facility.
